A premier professional services company dedicated to connecting highly skilled veterans, and military spouses, with exceptional career opportunities. We specialize in identifying, recruiting, and placing veterans with diverse skill sets and backgrounds into a wide range of industries and positions.

Our team understands the unique strengths, experiences, and leadership qualities that veterans and their spouses bring to the workforce. Operation Hired is committed to supporting veterans and spouses by putting them at the forefront of our recruiting and staffing opportunities and helping employers tap into the immense talent pool that veterans represent. Our expertise, dedication, and passion for this mission make us the ideal partner for your recruiting and staffing needs. We look forward to working with you and creating lasting success for both employers and those who have served.

As a certified Service-Disabled Veteran Owned Small Business (SDVOSB) we have a veteran-centric approach

- Expertise in understanding the unique qualities of our veteran/spouse candidates and the value they bring to the workforce
- We focus on placing veterans and spouses in challenging and rewarding positions that create loyalty and longevity for the company.
- Providing companies with candidates that understand the compensation, location and scope of work before the first interview.

Personal Experience:

- Over 400 placements at Apple placing Program Managers, Sales Personnel, Customer Service Agents and Call Center Agents.
- Whole Foods Corporate creating and implementing the talent acquisition strategy while placing Program Directors, Legal Staff, Software Development and Technical Support.
- Google, Yahoo, Amazon placing Software Engineering, Technical Account Management, Sales Support and Data Analytics.
- College Football national recruiting to several different levels of competition and recruiting rules and bylaws.
- Project and contract management in industries that total over 500 million dollars including contracts with US Military branches, NAVFAC, USACE, National Park Service, and Department of Energy.
